

## **LEGAL NOTICE**

### **CITY OF ISSAQUAH SOLICITATION OF PROFESSIONAL ENGINEERING ARCHITECTURAL AND LAND SURVEYING FOR THE PERIOD JANUARY 2004 THROUGH DECEMBER 2004**

The City of Issaquah (pursuant to Chapter 61, Laws 1981) is soliciting statements of qualifications from firms interested in providing professional engineering, architectural, property appraisal, and land surveying services for the period from January 2004 through December 2004.

Typical projects include, but are not limited to: utility planning and design, storm drainage review and design, transportation planning, traffic engineering, street design, traffic signal design, trail planning and design, geotechnical engineering for TEA21, AIP, TTP or PSMP and PTSP funded projects, environmental analysis including sensitive areas identification, wetlands identification, noise, air and water quality analysis, topographic surveying, boundary surveys, facilities planning and architectural design, mechanical systems planning and design and electrical systems planning and design.

Statement of qualifications will be reviewed and placed on file and will be used as a source from which to select one or more qualified firms from whom a detailed proposal will be requested for any specific project. Those firms who have statements on file for the 2003 calendar year should only respond with a request for their statement of interest to be renewed for the year 2004, including any pertinent amendments to their statement of qualifications. The format of the statement of qualifications is left to the discretion of the submitter. Submittals should not exceed twenty (20) pages. Please submit only one (1) statement of qualifications. Minority and women-owned firms are encouraged to submit statements.

Questions regarding this solicitation should be directed to Bonnie Morrow, City of Issaquah Public Works Engineering Administrative Assistant, at 425-837-3445. Response of interested firms is requested no later than January 31, 2004.

Bob Brock  
Director of Public Works
